**INFORMATION DISCLOSURE STATEMENT**

Applicants hereby disclose the documents listed on the attached Form PTO/SB/08A.

Copies of the listed Foreign Patent Documents are enclosed. The disclosed documents (or a foreign counterpart thereof) were cited in the European Search Report for the European patent application counterpart of the present application. A copy of the European Search Report, which was dated August 19, 2005, also is enclosed.

Since the only prior Office Action was a restriction requirement, it is believed that this Information Disclosure Statement is being filed before the mailing of a first Office Action on the merits, whereby it is not necessary to file a petition under 37 CFR 1.97(d)(2) for consideration of this Information Disclosure Statement. If this belief is incorrect, please treat this paragraph as a contingent petition for such consideration and charge the petition fee to my Deposit Account No. 03-0375.

I hereby certify that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Respectfully submitted,

Dated 08-31-05
